

TOURNAMENT
DATE: JUNE 27, 2020

Dear,

As presenting corporate sponsors, PacifiCorp, IBEW Local 125, OPEIU Local 11, Advantis Credit Union, Northwest Natural Gas, and PGE are excited to invite you to be part of the **24th Annual Benefit Golf Classic**, benefiting the Oregon Burn Center's Burn Prevention and Education Program. We hope you will join us in our efforts to prevent serious burn injuries throughout our community by becoming a sponsor of this fun and important event.

As the only facility of its kind between Seattle and Sacramento, the Oregon Burn Center at Legacy Emanuel Medical Center treated over 400 burn survivors from across Oregon and Southwestern Washington last year. A high percentage of patients cared for at the burn center are from our industries and have been seriously burned on the job. Your sponsorship of this tournament will help the burn team prevent burns through education and outreach, as well as train medical staff in burn treatment to minimize injury for each burn survivor. Our goal is to save one person from the devastation of serious burns, and with your help, we can achieve it.

The 24th annual tournament will be held **June 27, 2020** at Indian Creek Golf Course, in Hood River, OR. Thanks to the generosity we receive from the community, the *Benefit Golf Classic* has donated over \$1,320,000.00 to the Oregon Burn Center since its inception! With your help this year, we will again raise at least \$50,000 (our ultimate goal is \$100,000) to support the critical work of the Oregon Burn Center. Please note that **100%** of all dollars donated go directly to the Burn Center. The Golf Tournament is self-supporting.

Attached is the sponsorship brochure for your consideration. Please mark your selection and mail to Larry Browning at 9009 SE Adams St., P.O. Box 3055, Clackamas, OR 97015. If you have any questions, call Joann at (503) 869-8388. Thank you in advance for your support.

Sincerely,

Larry W. Browning
(503) 849-4302

Member, Benefit Golf Classic Committee
